1. ABOUT THE MOBILE SERVICE DESCRIPTION

Our Customer Relationship Agreement

1.1 This is the Mobile Voice Service description of our CRA under which we supply mobile phone services (**Service**) to you.

1.2 The General Terms of our CRA, and the other documents listed in clause 1.2 of the General Terms, also apply to the Service.

What is the Service?

1.3 The Service, depending on the plan chosen by you and subject to any restrictions or limitations we impose or that may arise from the type of equipment you own, enables you to use your mobile handset to:

- (a) make and receive calls, send and receive messages, access internet;
- (b) send content from and receive content to your mobile phone;
- (c) send content from and receive content to a computer using your mobile broadband device; and
- (d) use a range of value added service features, on a mobile network for your own personal or business use only.

1.4 Calls made using the Service can terminate to:

- (a) Australian domestic landline numbers (by dialling the national area code relating to the call number and the called number);
- (b) Australian mobile numbers (by dialling the mobile number which begins with the prefix 04); and

INTERNODE GROUP CRA – MOBILE VOICE SERVICE DESCRIPTION

- (c) most international long distance numbers (by dialling 0011 + the relevant country access code + the relevant area code (if applicable) + the called number).
- 1.5 You can only obtain 4G speeds when you use a 4G-ready phone. The quality and availability of some services and the speeds you reach will continually vary depending on many factors such as your location, your device capabilities, network congestion, network coverage or if you are roaming. For more info, visit iinet.net.au/mobile-coverage.
- 1.6 The Service is supplied over the relevant mobile digital network of one of our mobile digital network carrier partners. We do not control that network. Where the carrier partner limits call types in its network, your use of the Service will be similarly limited. You agree that you will not hold us responsible in respect of any such limitations.
- 1.7 Voicemail messages you receive will be deleted in the following order:
- (a) Unplayed messages - 28 days
 - (b) Played messages - 10 days
 - (c) Saved messages - 7 days
- If you wish to keep your saved voicemail message for longer than 7 days, you may replay and then resave the message.

Eligibility

- 1.8 To apply for a Mobile Plan as a business customer, you must have a valid ABN that must be disclosed in your application for the Service.

2. MOBILE PLAN SPECIFICS

- 2.1 The applicable included values, data, rates and pricing for each Mobile Plan are set out in our Pricing Schedule.

SIM Card

- 2.2 Connection to the mobile network is by way of a SIM which is installed onto a mobile device owned by you (unless otherwise set out in a Mobile Plan). The SIM that we provide to you is our property and we may request that you return the SIM to us at any time for replacement. You must not interfere with the SIM. If you do not already have a SIM with us, we will supply you with a triple cut SIM.
- 2.3 We are not responsible for any lost or stolen SIM. You must notify us as soon as possible if the SIM we have given you is lost or stolen and we will bar outgoing calls, suspend the service or activate IMEI blocking on your mobile phone.

INTERNODE GROUP CRA – MOBILE VOICE SERVICE DESCRIPTION

- 2.4 You are responsible for all charges for calls made using the lost or stolen SIM up until the time you notify us that your SIM card has been lost or stolen and we bar outgoing calls, suspend the service or activate IMEI blocking.
- 2.5 Unless you are otherwise in breach of the agreement, we will replace the SIM card (including where your mobile phone has been lost or stolen or the SIM card has been damaged), and may charge a replacement fee.
- 2.6 If you have not activated your Service by the 28th day after you complete the sign-up process, we reserve the right to automatically activate your Service at any time on or after that date. We will endeavour to make contact with you before this time to assist you with this process.

Data

- 2.7 The included data in a Mobile Plan is not split into on/off peak periods and both upload and download traffic are counted.
- 2.8 If you go over the included data for that billing period and you have sufficient credit in your prepaid balance, you will be charged for excess data usage, at a rate specified in the plan, or if no rate is specified, then the rate of 10 cents per megabyte is charged. Any unused included data is forfeited and does not rollover. If you do not have sufficient credit in your prepaid balance, data usage will be restricted.

4. SERVICE FAULTS

- 4.1 While we will endeavour to make Mobile Services available to customers 24 hours a day, 7 days a week, Mobile services are not fault free and we cannot guarantee uninterrupted service, or the speed, performance or quality of the Service. There are many factors outside of our control which affect Mobile Services, such as the performance of third party suppliers and equipment, Force Majeure events, electromagnetic interference, network congestion, and performance of your equipment. We accept no liability for interruptions to your Mobile Service or for any resulting damage or loss suffered by you or any third party.

- 5.1 You acknowledge that in order to comply with any regulatory, governmental, legal or similar authority which is involved in the administration of phone numbers, we may be required to vary, withdraw, suspend or reassign a phone number assigned to your access line. We will give you as much prior notice as is reasonably practicable.
- 5.2 We are responsible for selecting and assigning the mobile phone number for a Service unless you Port your phone number to us from your previous supplier.

Porting your phone number

- 5.3 If you are a customer who is connected to a network other than ours and you wish to acquire this Service, you may be able to retain your existing telephone number by Porting it to us:-

 - (b) subject to availability and our technical and commercial considerations.
- 5.4 The Porting of your mobile phone number will be conducted in accordance with the relevant Communications Alliance codes. If you have Ported your mobile phone number from another service provider and the Service is subsequently terminated under our CRA or you terminate the Service without reconnecting to another service

provider, you will no longer have the right to use that mobile phone number. Similarly, if you Port your mobile phone number from us to another service provider and are then disconnected without reconnecting to another service provider you will no longer have the right to use the mobile phone number.

INTERNODE GROUP CRA – MOBILE VOICE SERVICE DESCRIPTION

- 5.5 In order to Port your mobile phone number to us, you must make a request in your application for the Service. You warrant to us that all information supplied by you in your application for the Service is complete and correct. You indemnify us against (and agree to pay us for) any loss, liability, claim, damage, costs, expenses and charges reasonably incurred by us as a result of, or in connection with, the Porting of any number to us which you authorise us to Port but which number has not been validly assigned or allocated to you, or otherwise in connection with any incorrect or incomplete information supplied by you.
- 5.6 Your previous telephone provider may charge you or us for Porting and there may be other costs and obligations such as early termination fees payable by you or us to your previous telephone provider. You indemnify us against all such fees and charges.
- 5.7 Subject to clause 5.6, we will not charge you a fee for Porting a phone number from another carrier or carriage service provider to us.
- 5.8 During the process of Porting the phone number from another supplier's network to us there may be a brief period when the service is interrupted.
- 5.9 You must not cancel the service you have with the other carrier or carriage service provider before you Port the phone number. We will inform the carrier or carriage service provider from which you have Ported the phone number that you have Ported the phone number and they will cancel the service.

7. SERVICE CHARGES

- 7.1 We provide our Services under packages and plans. Our plans typically have periodic fees, usage charges and promotions and may have a minimum term. Our packages, plans and promotions have specific terms and conditions and may be restricted to certain customers such as new, existing or special needs.
- 7.2 You must pay us all fees and charges that are incurred in using your Service.
- 7.3 Any usage that is not part of the included value for your plan will be paid for in accordance with the applicable payment arrangement set out in the mobile plan brochure for the plan you have chosen.
- 7.4 If you are on a prepaid Service, you have the option to make additional prepayment for usage that is not within the included value for your plan (**Additional Prepayment**) up to the amount of the Additional Prepayment or the balance of it from time to time. You may make Additional Prepayment at the time of commencement of your Service or at any time or times afterwards. If your Service is cancelled, any unused balance of the Additional Prepayment will not be refunded to you but will be retained by us.
- 7.5 You acknowledge that before entering into the agreement you have received and understood the terms and conditions of your package, plan, applicable promotion(s) and fees and charges.
- 7.6 Plans generally have a minimum contract period and, if you cancel the Service before the end of the minimum contract period or we terminate the agreement for your default before the end of the minimum contract period, you will be liable to pay to us the monthly recurring charges that would have been payable for the remainder of the minimum contract period.
- 7.7 Your plan may be varied, extended or renewed as agreed between you and us from time to time. If you do not contact us at expiration of your minimum plan term we will assume you require your Service to continue under the same terms and conditions on a rolling monthly basis until you notify us otherwise.
- 7.8 You may change a plan:
- (a) if your current pricing plan allows you to change, and
 - (b) if you meet the eligibility criteria of the pricing plan to which you are wanting to change (for example, if you are changing from a pricing plan with lower charges to a pricing plan where there are higher charges that you meet the credit requirements of the pricing plan with higher charges), and
 - (c) if applicable, you agree to pay the change of plan fee or other fee which we advise is payable by you for the change of plan.
- 7.9 Migrating to another plan does not reduce the Minimum Contract Period or terminate the original agreement or result in a reduction of the charges payable by you to us. We may specifically agree to an early termination of a Minimum Contract Period when you change to another plan but this is at our discretion unless specifically agreed by us in the new plan or any special offer.

12. BARRING AS AN ALTERNATIVE TO SUSPENSION

- 12.1 We may choose to bar outgoing and/or incoming calls and/or content on your mobile phone, instead of suspending the Service.
- 12.2 If we bar outgoing and/or incoming calls and/or content on your mobile phone, we may later suspend or cancel the Service for the same or a different reason.

13. SUPPLIER AND THIRD PARTY SERVICES

- 13.1 You acknowledge that:
- (a) the Service relies on the services of suppliers for its operation, who are not controlled by us, and
